Mark till salu i Salinas

€45,995

Plot of approximately 34000 square meters. It can be built. The plot is 5 km from Sax and Salinas as it is in the middle of these two towns. It has irrigation water. There is no electricity but it is only 100/200 m2 of the electricity network so there will not be much problem to install it. If you liked this plot or want more information, do not...
