Fristående villa till salu i Sol de Mallorca

€2,450,000

This new construction project located in Sol de Mallorca, is sold with the project completed. It will only begin to build when there is a buyer. You can choose different designs. 2 months to complete the project, 3 months to grant the license, 12 months to build the house. Sol de Mallorca is a privileged area, very quiet and exclusive, since it...
