

Fristående villa till salu i Puerto Pollensa

€3,999,999

In the midst of an upscale residential area, which is especially preferred because of the close proximity to the port, lies the luxury villa built in 2005 by the current owners on a plot of about 1,100 m2. With great attention to detail, great care was taken to implement the high standards of construction quality. Despite the hillside location, the...
