

Fristående villa till salu i La Romana

€349,995

Fantastic, recently constructed house on the outskirts of the lovely town of La Romana. The property is a 13,281m2 plot of which all but 6,000 m2 is completely fenced. Access to the property is through an automatic gate and from the entrance we view the home buildings, a large gravel driveway, gardens with mature olive and palm trees all...
